FAQ:

Q: How to use passcode to unlock?

A: Enter passcode + “🔒” on the keypad to unlock.

Q: How long is the battery life?

A: The battery life is guaranteed over one year. If not, we will issue full money back to you. Also, smartphones will push notification to you to change the batteries if the batteries are going low.

Q: How do I extend the latch bolt?

A: Twist latch clockwise and pull. Latch will snap into place

5

Additional Add-on?

Sifely Gateway

Sifely Gateway is an optional add-on that will unlock all remote features of Sifely Smart Lock including remote unlock, real-time activity logs, etc.
